

SAPMA Model Club

South Australian Plastic Modellers Association (est. 1979) - SAPMA is Adelaide's premier scale model club & voluntarily hosts the annual S.A. Scale Model Expo.

SAPMA welcomes all modellers, regardless of standard and interests (from armour to aircraft, cars to ships as well as sci-fi / fantasy). Modellers are invited to join us for a program of modelling activities, which includes "how-to" modelling demonstrations, swap & sell and special interest group theme projects. Remember to bring along your "work-in-progress" and finished modelling projects.
